

Instructions to look up game scores on your mobile!

1. Go to your mobile browser (safari for iphone) and search gotsoccer. Alternatively you can go to app store.
2. A mobile version of gotsoccer should pop-up once you click it.
3. Then click on Menu icon in top right hand corner, and then click on 'login' on the bottom of the menu.
4. Then click on **"Schedules and Results"** button in the bottom left hand corner.
5. Then you need to search the event by month and name. Once you put in month (March) all you need to put in name is "John Talley" and the event will pop up.
6. Click on the mini banner and you are good to go!!!
