STORY BEHIND THE BENEFIT:

Dear Friend and Supporter,

On May 27, 2010 golfers will gather at Memphis National Golf Club in support of the John Talley Pediatric Neurological Research Fund at LeBonheur Children's Medical Center.

On May 27th, golfers will gather at Memphis National Golf Club in support of the John Talley Pediatric Neurological Research Fund at LeBonheur Children's Medical Center.

It all began on March 11, 2002, when the Midsouth community lost a very valued member when cancer claimed the life of John Talley. Up until his death, John not only served as the General Manager of the Mike Rose Soccer Complex (MRSC), but he was also the brainchild that conceived both the idea and the business plan for MRSC. John's goal was to provide better fields and better opportunities for children to play soccer in Shelby County. To this day the Mike Rose Soccer Complex has not only had a major economic impact on Memphis, Germantown, Collierville and its surrounding areas, but it has also provided many local families and underprivileged children the opportunity to play and learn soccer at a world-class facility. The Mike Rose Soccer Complex has grown to over 7,000+ games a year with over 22 major soccer tournaments annually. These tournaments have helped local clubs and teams pay for coaching, equipment, club expenses, etc.. all of which have helped grow a strong base of soccer for children in the Midsouth.

John's son, Carey Talley, who currently plays professional soccer with DC United started the John Talley Pediatric Neurological Research Foundation. Inspired by his father's contribution to the Memphis community Carey and with the help of the MRSC staff, have helped raise over \$120,000 for LeBonheur Children's Medical Center. "My father has given every player in Memphis a high quality facility to play at", Carey said. "I want to give back to him what he has helped me achieve with soccer".

We invite you to join us for a fun day of golf and fellowship. If you are unable to join us in person, we ask that you consider one of the many sponsorship opportunities available.
